## TEACHING EXPERIENCE

### **Courses Taught (at Brigham Young University): teaching evaluations at 4.6+/5**

Organizational Effectiveness: required undergraduate core course covering organizational behavior concepts and human resource management principles; taught course for business majors (HRM 391/Org B 321) and large auditorium course for non-business majors (Org B 320).

HR Management (Org B 327): undergraduate core course covering HRM practices and principles (required for OB/HR emphasis and Facilities/Property Mgt. students).

Compensation, Benefits, & Performance Management (HRM 412/429): undergraduate course required for HRM major students.

Organizational Behavior (Bus M 540): required course covering organizational behavior concepts for Masters of Information Systems Management (MISM) students.

Talent Management (MBA 625): elective masters-level course covering numerous talent management processes – competency modeling, performance management, talent acquisition, talent development, succession planning, leadership development and talent retention.

Compensation and Benefits (MBA 628): elective masters-level course focusing on in-depth learning and application of compensation practices (both internal and external pay equity) and benefits issues.

Cougar Strategy Group (MBA 684A, 684B & 684C): collaborate with Professor Paul Godfrey to merge Cougar Strategy Group and Cougar Talent Solutions; advisor/mentor for student teams with client projects.

Cougar Talent Solutions (MBA 646A, 646B & 646C): advisor/mentor for the MBA HR track's Learn-Do-Become organization – Cougar Talent Solutions.

Strategic HR Management (EMBA 545): required core course for executive MBA program students – co-taught with Dr. Peter Madsen and focused on the full set of HR processes, including talent acquisition and performance management.

Career Development (EMBA 693R): elective course for executive MBA program students – help students improve their career planning (ABZ plans), LinkedIn profiles, resumes, and professional branding.

### **Courses Taught (at Utah Valley University): teaching evaluations at 4.5+/5**

Principles of Management: required undergraduate core course emphasizing the four management functions—planning, organizing, leading, and controlling.

Career Preparation: required undergraduate course emphasizing the practical aspects of career management and preparing students for the transition to the professional world.

Human Resource Management: required undergraduate core course covering all the major HRM functions (e.g., staffing, training and development, compensation and benefits).

Workforce Planning and Staffing: elective undergraduate course covering the following HR activities: planning, job analysis, recruitment, selection, orientation, and retention.

### **Courses Taught (at Cal State-San Marcos): teaching evaluations at 4.7+/5**

Services Management: undergraduate core course covering organizational behavior concepts and management principles applied to service organizations.

Career Development: creator of an undergraduate elective course to help business students more effectively manage their careers.

Senior Experience: advisor to senior student teams for intensive two-semester projects.

In the Executive's Chair: co-creator of an innovative course that brings business executives on a weekly basis to speak to undergraduate business students.

Management: required portion of the MBA Foundation curriculum.

Competitive Advantage Through Human Resources: required course in the MBA curriculum.

### **Courses Taught (at the University of Utah): teaching evaluations at 4.5+/5**

Organizational Behavior: required undergraduate course

Managing Diversity Through Interpersonal Communication: elective undergraduate course

Leadership/Team Building/Interpersonal Skills: required MBA course
